

## **Board of Management Report 14/10/24**

- The Board extends its sincere thanks to the fundraising committee for their dedication and hard work, which continues to benefit our school community in meaningful ways.
- Additionally, the Board was pleased to confirm that swimming lessons for 5th and 6th class students are scheduled to begin after the midterm break, providing a valuable opportunity for students to develop their swimming skills and engage in physical activity.
- The Board was also informed that our school has been accepted into the Safe Routes to School initiative, part of the Dublin City Council's programme.
